US Patent App. No. 09/726,880 - A VITAMIN POWDER COMPOSITION AND METHOD OF MAKING -  
Inventor: Chen et al. Our Docket: C38435/120240

Dear Examiner Channavajjala:

Per my advice during our telephone discussion this morning, this is to advise that we never received the Non-Final Office Action mailed June 9, 2005 in respect of the above-identified application. As advised, we filed an address change on August 6, 2003, and received the return receipt postcard from the PTO acknowledging that filing (PTO Mail Room stamp on August 8, 2003), but apparently the address change was never entered into the record and the June 9, 2005 Office Action was mailed to our old address. This situation has come to light by our having conducted a routine status check of the application via PAIR.

In view of this fact, and in accordance with PTO policy, please reissue the Office Action with a reset the date of mailing/deadline for response. The correct address and contact information for our firm is:

Stephen J. Brown, Esq.  
Bryan Cave LLP  
1290 Avenue of the Americas  
New York, NY 10104

If you have any further questions or comments or need to obtain any additional information in order to reissue the Office Action with the reset mailing date, please contact me at your first opportunity.

Thank you for your attention to this request.

Best regards,

Adrienne Levin
